Frequently Asked Questions

What are the zoo rules?

- Chaperones should be with students at all times and managing their behavior.
- Please do not feed or tease any animal. They are on special diets and anything you feed them or throw in exhibits could make them sick.
- Do not yell or scream at any of our animals. This may cause undue stress to the animals.
- Stay behind all guard rails. They are there to protect you and the animals. Do not lean over rails to take photos.
- Roller skates or roller blades, skateboards, scooters, heeled shoes and bicycles are not permitted at the Racine Zoo.
- We have placed trash receptacles and recycling bins throughout the Zoo so that you can leave the grounds the way you found them.

Failure to follow these rules may result in your group being asked to leave. Please be sure to share these rules with students and chaperones prior to your visit.

How many chaperones will I need?
