

POSITION TITLE: Racine Zoo Conservation Education High School Intern

REPORTS TO: Conservation Education Manager

POSITION CLASSIFICATION: Internship for high school students; \$150 stipend available upon completion of internship

PURPOSE: To learn about current issues in conservation and learn to interpret them to guests.

DUTIES:

- ◆ Interns will participate in eight classes with Conservation Education staff on Tuesday evenings throughout the internship. This will include both structured learning and hands-on experiences.
- ◆ Interns will commit to 10 hours of weekend shifts over the course of the internship. These shifts will involve engaging the public in conversation about conservation initiatives with the goal of galvanizing people to take action. This may include use of biofacts, providing education and outreach at Zoo-sponsored conservation days, and assisting with research and program development.
- ◆ The internship will culminate in a final project where students will identify a current problem related to earth or biological sciences, and then propose solutions to their chosen problem which can be incorporated into future educational programming.

Classes will take place from 4:00-6:00pm on Tuesday evenings: June 1<sup>st</sup>, 8<sup>th</sup>, 15<sup>th</sup>, 22<sup>nd</sup>, 29<sup>th</sup>, and July 6<sup>th</sup>, 13<sup>th</sup>, and 20<sup>th</sup>. Weekend shifts will be available those Saturdays. Other shifts may be available to help with special events at the Zoo.

QUALIFICATIONS: We are seeking motivated high school students looking to learn more about and gain experience in careers related to conservation, wildlife, animal care, interpretation, or education. This position requires strong writing, speaking, and organization skills including the ability to multi-task. Proven ability to interact with other staff, guests, and volunteers and to maintain an energetic and positive attitude. Must be willing to work outdoors in all weather conditions.

If applying by email, please put "High School Internship" in the subject line. Please send a cover letter and completed application. If you choose, you may also submit a resume. Please apply to:

Racine Zoo  
Attention: Cassie Meredith  
Conservation Education Specialist  
2131 North Main Street  
Racine, Wisconsin 53402
