

Lil' Explorers

Preschool at the Zoo

Bring your preschooler for an educational and fun time!

Children ages 2-5 and their guardians learn about our zoo animals through stories, activities, crafts, and a visit with an animal! Each session will focus on a new topic to introduce students to a variety of animals and adaptations.

The activities and crafts are designed to enhance both fine and gross motor skills, as well as boost identification abilities. Classes are offered in sets of four, each centered around a main theme— try one or join them all!

Classes:

Sundays at 1 PM

Mondays at 10 AM

Mondays at 11:30 AM

Examples of Curriculums

Additional adult	\$36 per additional adult

***Guardian must attend with child**

Registration closes at 4pm the Thursday before each class. We are unable to provide refunds except during extreme circumstances. Thank you for helping us keep our programs affordable!

FAQs

Does my infant count as an additional child?

Yes, we need to confirm the number of attendees for fire code compliance, as every person present is accounted for. This includes ages 0 and up! There is the option to add an additional child during registration, and adding a note that an infant would be joining is appreciated.

Do I need to register my additional participating child?

Yes, this is to ensure materials are prepped for the correct amount of participants.

Do I need to register my additional adult?

Yes, there is the option to add an additional adult during registration. We need to confirm the number of attendees for fire code compliance, as every person present is accounted for.

FAQs

What if I need to add an additional child/adult last minute?

If online registration is unavailable, please email us at education@racinezoo.org or call at 262-636-9580. We will do our best to have enough materials prepped given the short notice.

What if the weather is bad the day of preschool?

Preschool classes run rain/snow or shine. Classes are held in our classroom, but the planned animal encounter may include a walk to a habitat, so dress for the weather! In the unlikely event class is cancelled, an email will be sent out promptly.

Can I walk around the zoo before/after class?

Yes! Zoo admission is included with the purchase of a preschool class. You're welcome to explore the zoo after class, or before if it's open.
