## Leave No Trace

Follow the principles of Leave No Trace to minimize your impact on the Zoo and the Lake Michigan ecosystem! This includes properly disposing of all your trash, avoiding damaging plants, leave what you find, and respecting the native wildlife and animal residents.

**Take only pictures, leave only footprints.**

## Tips and Tricks

- Leave food in the car overnight-- we have many wild critters that can smell your food through your tent!
- Bring a reusable water bottle to decrease waste at the zoo
- Slumber safaris will run rain or shine. Dress for the weather-- even if it's raining, we will still be camping.
- Arrive on time. **We are unable to let anyone into the gate after 6:00pm.**
